Letter of Recommendation

I would like to highly recommend the Omega-Man assembly to any school, elementary or middle school. The message brought by Mr. Omega-Man was very positive and he is a great role model for making good choices and he stressed the fact that good character is something to strive for.

The presentation Omega-Man gave at our school was 'GREAT'. Omega-Man was able to do two presentations. 2nd & 3rd graders and 4th and 5th. Omega-man was able to engage the students in his presentation and some of the students were able to go on stage with him. I heard many good comments from the students and teachers. Students loved the presentation and wants Omega-man to come back.

With the bullying, peer pressure and issues at home that our students faces on a daily basis, Omega-Man positive message brings to students that there is hope after all. That they need to speak-up, stay focus and make every day a positive learning experience in school.

I would highly recommend this program for any school
